SPONSORS, EXHIBITION AND TOOL FAIR

Sponsorship of the Safecomp 2005 week, 26-30 September 2005, enables companies to advertise while supporting the Safecomp 2005 conference and its development. There will also be a dedicated area for Exhibitions and Tool Fairs.

Organisations wishing to be a sponsor/exhibitor at Safecomp 2005 should submit their request per e-mail to safecomp2005@hrp.no or contact one of the co-chairs: Bjørn Axel Gran: +47 69212395, Rune Winther: +47 69215370.

A sponsor/exhibitor should give Safecomp 2005 permission to use their organisational name and/or logo for the purpose of sponsorship recognition and on any applicable sponsored items. Note that some recognition opportunities have specific deadlines and failure to provide timely application/logo/artwork/etc. may result in no exposure for a particular item. Also note that we have a limited number of possible events, and that we will distribute these on the “first come – first serve” principle. We offer the following opportunities, but are also open to discuss other settings that can suit your company:
